**Re: Empire Center for Public Policy v. New York State
Department of Health
Index No. 906023-20**

Dear Justice O'Connor:

I am writing to provide Your Honor with an update regarding the above-captioned Article 78 proceeding. In my letter dated November 9, 2020, I enclosed a letter from DOH indicating DOH completed its search for records, but DOH did not intend to disclose the information before January 13, 2021, or later.

Enclosed please find a copy of DOH's letter of that date. DOH now states that it may or may not disclose the records by March 22, 2021.

I am happy to address any questions the Court may have.

Yours truly,

Cameron Macdonald

Enclosure
