RE: FOIL Requests: #3128-3131

Dear Bill Hammond:

Please be advised that we require additional time to complete our response to your FOIL requests dated December 23, 2020. We will provide you with a status update on or before April 13, 2021, if we have not completed our response by then.

As part of the ongoing response to the COVID-19 pandemic, some or all agency employees may be working off-site. As such, there may be delays in response to FOIL requests. If a record responsive to a request is only available in hard-copy format, that record's availability will be limited until further notice. Thank you for your patience during this extraordinary time.

Very truly yours,
