

## **Recommendations**

### **Health Systems Agency**

There will be no HSA recommendation for this project.

### **Office of Primary Care and Health Systems Management**

#### **Approval contingent upon:**

1. Submission of a check for the amount enumerated in the approval letter, payable to the New York State Department of Health. Public Health Law Section 2802.7 states that all construction applications requiring review by the Public Health and Health Planning Council shall pay an additional fee of fifty-five hundredths of one percent of the total capital value of the project, exclusive of CON fees. [PMU]

#### **Approval conditional upon:**

1. This project must be completed by one year from the date of the recommendation letter, including all pre-opening processes, if applicable. Failure to complete the project by this date may constitute an abandonment of the project by the applicant and the expiration of the approval. It is the responsibility of the applicant to request prior approval for any extensions to the project approval expiration date. [PMU]
2. The submission of Final Construction Documents, as described in BAER Drawing Submission Guidelines DSG-05, is required prior to the applicant's start of construction. [AER]
3. Submit evidence of active membership in the NY Cardiothoracic Consortium (NYCTC) to the Department within 3 months of notification of project approval. [HSP]
4. Annually review, and update as needed, policies, procedures, and protocols related to donor management, organ acceptance practices, and other relevant care-related issues to ensure they are consistent with current evidence and best practices in the field. [HSP]
5. Work with NYCTC, LiveOnNY, other regional OPOs, and others to identify opportunities for improvement and implement strategies resulting in increased donation and transplant rates while maintaining quality of care. [HSP]
6. Provide education and opportunities for staff, patients, and members of the community to enroll in the NYS Donate Life Registry including consideration of integrating opportunities for Registry enrollment in NYPH public-facing electronic transactions and educational sites. [HSP]
7. Report to the Department annually on actions and outcomes of actions taken to meet Conditions five and six. [HSP]
