Dear Abdullah Ar Rafee:

This is a further response to your Freedom of Information Law (FOIL) request FL-EM-22/1359 for the New York State Education Department records requesting full statewide test results for grades 3-8 in English Language Acquisition (ELA) and mathematics for the 2021-22 school year, received on September 8, 2022.

Please be advised that your FOIL request is still under review. Due to the scope and nature of your request, and the effort required to identify and collate the appropriate records, it will take the Department additional time to complete your request. You will hear from the Department by approximately January 31, 2023, as to whether your request will be granted or denied in whole or in part. If your request is granted, we will provide you with the documents or advise you of the page count and duplication costs.

If you wish to appeal this decision, you may do so within 30 days by emailing FOILappeal@nysed.gov or writing to:

Betty A. Rosa
Commissioner of Education
NYS Education Department
Room 111, Education Building
89 Washington Avenue
Albany, NY 12234

Sincerely,

Rose M. LeRoy
