

National Tracking Poll #2401116
January 25 - February 03, 2024

Crosstabulation Results

Methodology:

This poll was conducted between January 25-February 3, 2024 among a sample of 959 Registered Voters. The interviews were conducted online. Results from the full survey have a margin of error of plus or minus 3 percentage points.

Table Index

1	Table EC1: <i>Generally speaking, would you say that things in New York State are going in the right direction, or have they gotten off on the wrong track?</i>	7
2	Table EC2: <i>Generally speaking, would you say that things in your county are going in the right direction, or have they gotten off on the wrong track?</i>	11
3	Table EC3: <i>Generally speaking, would you say that things in your local city/town are going in the right direction, or have they gotten off on the wrong track?</i>	14
4	Table EC4: <i>Many people weren't able to vote in their local elections in 2023. How about you? Were you able to vote in your local elections in 2023?</i>	18
5	Table EC5_1NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Cost of living</i>	22
6	Table EC5_2NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Political climate</i>	25
7	Table EC5_3NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Progressive social policies (e.g., abortion access, gun policy)</i> . . .	28
8	Table EC5_4NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Conservative social policies (e.g., abortion access, gun policy)</i> . .	31
9	Table EC5_5NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Economic outlook (e.g., lack of economic growth, job opportunities)</i>	34
10	Table EC5_6NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Quality of local schools</i>	38
11	Table EC5_7NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Incidence of extreme weather events/natural disasters (e.g., wild-fires, flooding, heat waves)</i>	41
12	Table EC5_8NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Transportation issues (e.g., lack of public transit, proximity to airport, walkability)</i>	45
13	Table EC5_9NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Lack of access to nature/green spaces (e.g., parks, beaches, mountains)</i>	49
14	Table EC5_10NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Lack of cultural activities/events (e.g., events, museums, sports teams)</i>	53
15	Table EC5_11NET: <i>What would you say are the main challenges or issues with living in New York? Select up to three. — Not diverse enough (e.g., age, race, religion)</i>	57

16	Table EC5_12NET: What would you say are the main challenges or issues with living in New York? Select up to three. — Too diverse (e.g., age, race, religion)	60
17	Table EC5_13NET: What would you say are the main challenges or issues with living in New York? Select up to three. — Housing market (e.g., cost, availability of housing)	63
18	Table EC5_14NET: What would you say are the main challenges or issues with living in New York? Select up to three. — Childcare issues (e.g., affordability, accessibility)	67
19	Table EC5_15NET: What would you say are the main challenges or issues with living in New York? Select up to three. — Crime rate	70
20	Table EC5_16NET: What would you say are the main challenges or issues with living in New York? Select up to three. — High taxes	73
21	Table EC5_17NET: What would you say are the main challenges or issues with living in New York? Select up to three. — None of the above	76
22	Table EC6: Do you approve or disapprove of the job Kathy Hochul is doing as New York governor?	79
23	Table EC7: Generally speaking, how much do you trust that the New York state government understands the needs of your family and community?	83
24	Table EC8bp1: For each of the following sets of statements, please indicate the statement that you most agree with. - Statement 1—: The New York state government is motivated by special interests.:Statement 2—: The New York state government is motivated to do the right thing.	87
25	Table EC8bp2: For each of the following sets of statements, please indicate the statement that you most agree with. - Statement 1—: The state government helps businesses in New York succeed.:Statement 2—: The state government interferes with businesses in New York succeeding.	91
26	Table EC9_1: Compared to the start of 2023, would you say each of the following is better, worse, or the same at the start of 2024? — Your quality of life	95
27	Table EC9_2: Compared to the start of 2023, would you say each of the following is better, worse, or the same at the start of 2024? — Your cost of living	99
28	Table EC10: Would you say the state of your local economy is better, worse, or the same as the state of the U.S. economy broadly?	103
29	Table EC11_1: How concerned are you, if at all, about each of the following? — Cost of your electric utilities	107
30	Table EC11_2: How concerned are you, if at all, about each of the following? — Reliability of your electric utilities	111
31	Table EC12: Which of the following statements comes closer to your opinion, even if neither is exactly right?	115

32	Table EC13: How familiar are you, if at all, with the provisions of the Climate Leadership and Community Protection Act (also known as CLCPA or the Climate Act) that was signed into law in New York in 2019?	119
33	Table EC14: How much have you recently seen, read, or heard about the provisions of the Climate Leadership and Community Protection Act (also known as CLCPA or the Climate Act)?	123
34	Table EC15: Once the New York electric car mandate begins in 2035, would you consider going to another state to purchase a gasoline-powered vehicle?	126
35	Table EC16_1: How willing are you, if at all, to do each of the following in an effort to reduce New York greenhouse gas emissions? — Change the way you heat your home (at no additional cost to you)	130
36	Table EC16_2: How willing are you, if at all, to do each of the following in an effort to reduce New York greenhouse gas emissions? — Change the car you drive to an electric vehicle (at no additional cost to you)	134
37	Table EC17: You indicated you would be willing to change the way you heat your home in an effort to reduce New York greenhouse gas emissions. How much would you be willing to pay out-of-pocket to replace your current system with an electric home heating system?	138
38	Table EC18: You indicated you would be willing to change the car you drive to an electric vehicle in an effort to reduce New York greenhouse gas emissions. How much more than a gasoline-powered car would you be willing to pay for an electric car?	142
39	Table EC19: How much more would you be willing to pay on your monthly energy bill for cleaner energy?	146
40	Table EC20_1: How satisfied are you, if at all, with each of the following aspects of your child(ren)'s public school education? — Quality of teachers	150
41	Table EC20_2: How satisfied are you, if at all, with each of the following aspects of your child(ren)'s public school education? — Student-teacher ratio	152
42	Table EC20_3: How satisfied are you, if at all, with each of the following aspects of your child(ren)'s public school education? — Leadership (i.e., principal, school board, etc.)	154
43	Table EC20_4: How satisfied are you, if at all, with each of the following aspects of your child(ren)'s public school education? — Safety	156
44	Table EC20_5: How satisfied are you, if at all, with each of the following aspects of your child(ren)'s public school education? — Overall quality of education	158
45	Table EC22: How familiar are you, if at all, with the concept of 'school choice' in education? .	160
46	Table EC23_1: As you may know, 'school choice' refers to programs and policies that let families use public education funds to access the school of their choice, including public schools, private schools, charter schools, and homeschooling. In your opinion, should tax dollars that have been allocated for education be used to cover each of the following? — Homeschooling expenses	164

47	Table EC23_2: As you may know, 'school choice' refers to programs and policies that let families use public education funds to access the school of their choice, including public schools, private schools, charter schools, and homeschooling. In your opinion, should tax dollars that have been allocated for education be used to cover each of the following? — Religious school tuition	168
48	Table EC23_3: As you may know, 'school choice' refers to programs and policies that let families use public education funds to access the school of their choice, including public schools, private schools, charter schools, and homeschooling. In your opinion, should tax dollars that have been allocated for education be used to cover each of the following? — Non-religious school tuition	172
49	Table EC23_4: As you may know, 'school choice' refers to programs and policies that let families use public education funds to access the school of their choice, including public schools, private schools, charter schools, and homeschooling. In your opinion, should tax dollars that have been allocated for education be used to cover each of the following? — Charter school operating costs	176
50	Table EC23_5: As you may know, 'school choice' refers to programs and policies that let families use public education funds to access the school of their choice, including public schools, private schools, charter schools, and homeschooling. In your opinion, should tax dollars that have been allocated for education be used to cover each of the following? — Other non-traditional education options (for example, microschools and pods)	180
51	Table EC24bp1: For each of the following sets of statements, please indicate the statement that you most agree with. - Statement 1—: Families should be able to use tax dollars that have been allocated for education to access the school of their choice.:Statement 2—: Tax dollars that have been allocated for education should be reserved for local public schools only.	184
52	Table EC24bp2: For each of the following sets of statements, please indicate the statement that you most agree with. - Statement 1—: Teachers unions are helpful partners in public education.:Statement 2—: Teachers unions are an obstacle to quality public education.	189
53	Table EC24bp3: For each of the following sets of statements, please indicate the statement that you most agree with. - Statement 1—: New York public schools need additional funding to improve student outcomes.:Statement 2—: New York public schools should be able to improve student outcomes with the amount of funding they currently receive.	193
54	Table ECdem1: Do you currently live in a home that uses natural gas, propane, or oil as its main energy source for heating?	198
55	Table ECdem2: What kind of car do you currently own?	201
56	Table ECdem3: Does your child(ren) currently attend a New York public school?	205
57	Table P1: Now, generally speaking, would you say that things in the United States are going in the right direction, or have they pretty seriously gotten off on the wrong track?	207
58	Table nr2b: Do you approve or disapprove of the job Joe Biden is doing as President?	211

59	Table P3: <i>Now, thinking about your vote, what would you say is the top set of issues on your mind when you cast your vote for federal offices such as U.S. Senate or Congress?</i>	215
